### **REASONS FOR ALLOWANCE**

The following is an Examiner's Statement of Reasons for Allowance:

Any comments considered necessary by applicant must be submitted no later than the Payment of the Issue Fee and, to avoid processing delays, should preferably accompany the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".

The references of record do not anticipate the claimed process inventions. In addition, the references alone or further in view of each other do not suggest or motivate one of ordinary skilled in the art to employ the specific process steps for the enriching of isotopes of actinide elements.

In addition, the references further do not provide any reasonable rationale in light of the Supreme Court's recent decision in KSR International Co. v. Teleflex Inc (TFX)., 82 USPQ2d 1385 (2007), that leads to a legal conclusion of obviousness for rejecting the claims based on the facts to yield legal conclusion of obviousness for the claimed subject matter enriching isotopes of actinides by the claimed processes.

Examiner has also rejoined the withdrawn non-elected species.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to HERBERT J. LILLING whose telephone number is 571-272-0918. The examiner can normally be reached on WORK AT HOME MAXIFLEX.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, JON WEBER can be reached on 571-272-0925. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
